

# ARTS AND HUMANITIES MICRO-CREDENTIAL

As a student with a foundation in the arts and humanities, you can become an employee who possesses flexibility in critical thinking, ethical reasoning, problem solving, and openness to experience. You will assess various points of view and evaluate arguments. Students see the dignity of the individuals around them, find the meaning behind human pursuits, and discover unique paths to meet an objective. A study of the creative elements from the arts and humanities can allow you to stand out in an economy where more work is mechanized. Learning the concepts within the arts and humanities subjects allows you to be a well-rounded individual with skills in media literacy, finding compromise, listening to other perspectives, and looking ahead to trends and possibilities for the future.

This micro-credential is part of the personalization series. For more information about personalization series micro-credentials, see the Micro-credential Series section of the Additional Offerings (<https://catalog.purdueglobal.edu/additional-offerings/>) page and the Micro-credential Bulletin (<https://catalog.purdueglobal.edu/bulletin/>).

## Certification, State Board, and National Board Exams

Certification and licensure boards have state-specific educational requirements for offerings that lead to a license or certification that is a precondition for employment. Prospective and current students must review Purdue Global's State Licensure and Certifications (<https://www.purdueglobal.edu/about/accreditation/licensure-state-authorizations/>) site to view program and state-specific licensure information.

You are responsible for understanding the requirements of optional certification exams. Such requirements may change during the course of your studies. You are not automatically certified in any way upon completion of an offering. Although certain offerings are designed to prepare you to take various optional certification exams, Purdue Global cannot guarantee you will be eligible to take these exams or become certified. Your eligibility may depend on your work experience, completion of education and/or degree requirements, not having a criminal record, and meeting other certification requirements.
