This Micro-credential Bulletin contains available micro-credential offerings, organized by type below. To view micro-credential offerings organized alphabetically by title or organized by area of study, click on the appropriate tab above. The Micro-credential Bulletin (https://catalog.purdueglobal.edu/bulletin/Micro-credential_Bulletin_PG.pdf) is also available as a PDF.

Micro-credentials taken as stand-alone offerings are ineligible for Title IV federal financial aid unless indicated otherwise.

For more information about the different types of micro-credentials and the policies governing micro-credentials, please see the Additional Offerings (https://catalog.purdueglobal.edu/additional-offerings/) section of the Purdue Global Catalog. If you have questions or wish to pursue a micro-credential, contact an advisor.
