

SOCIAL MEDIA LAW MICRO-CREDENTIAL

In this micro-credential, you will learn the fundamentals of navigating the legal aspects of social media. Our personal and business lives are intertwined with social media. And, unfortunately, there are many ways to run afoul of the legal aspects of social media. This micro-credential will help you navigate social media law so you can take advantage of social media in your business and personal life. Major topics will include intellectual property, freedom of speech vs. harmful speech, ethics, and policy. Registration information for this micro-credential can be found here (<https://acc.purdueglobal.edu/course/41/social-media-law-basics/>).

This micro-credential is part of the short-course series. For more information about short-course series micro-credentials, see the Micro-credential Series section of the Additional Offerings (<https://catalog.purdueglobal.edu/additional-offerings/>) page and the Micro-credential Bulletin (<https://catalog.purdueglobal.edu/bulletin/>).

Certification, State Board, and National Board Exams

Certain state certification and licensure boards have specific educational requirements for offerings to lead to a license or certification that is a precondition for employment in a recognized occupation. Prospective and current students must review Purdue Global's State Licensure and Certifications (<https://www.purdueglobal.edu/about/accreditation/licensure-state-authorizations/>) site to view program and state-specific licensure information.

Unless otherwise specified, Purdue Global's offerings are not designed to meet any specific state's licensure or certification requirements.

You are responsible for understanding the requirements of optional certification exams. Such requirements may change during the course of your studies. You are not automatically certified in any way upon completion of an offering. Although certain offerings are designed to prepare you to take various optional certification exams, Purdue Global cannot guarantee you will be eligible to take these exams or become certified. Your eligibility may depend on your work experience, completion of education and/or degree requirements, not having a criminal record, and meeting other certification requirements.
