

SCHOOL OF MULTIDISCIPLINARY AND PROFESSIONAL STUDIES

Mission Statement

The School of Multidisciplinary and Professional Studies supports the academic, social, personal, and professional development of learners throughout their engagement with the University. It also provides a learning experience that is engaging, enjoyable, and applicable to students' personal and professional lives while preparing students to meet expectations in chosen fields of study. Purdue Global is committed to professional and career preparation for all graduates. As an institution and an educational community, we commit to graduating "thinkers who can work and workers who can think."

Programs

In addition to the programs below, see Additional Offerings (<https://catalog.purdueglobal.edu/additional-offerings/>) for information about other enrollment opportunities. For a list of additional offerings by subject, see the Area of Study index (<https://catalog.purdueglobal.edu/bulletin/#areaofstudyindextext>) of the Micro-credential Bulletin (<https://catalog.purdueglobal.edu/bulletin/>).

Master of Professional Studies

The Master of Professional Studies (MPS) is an excellent choice if you are a working professional looking to advance your career with a flexible, customizable, and innovative graduate degree program. The program is designed to provide you with advanced professional skills in research, data literacy, problem-solving, ethics, leadership, and communication that can apply to your current profession immediately.

Diversity, Equity, and Inclusivity Graduate Certificate

The Diversity, Equity, and Inclusivity Graduate Certificate focuses on bringing awareness to diversity, equity, and inclusion within the workplace. More importantly, this certificate will develop your professional skills and provide you with tools to identify, manage, and promote these attributes within the workplace community. Courses outlined in this graduate certificate include an introduction to the topic; diversity in teams, race, religion, culture, and sexuality; diversity in a professional setting; and unconscious bias and fostering an inclusive work environment. This certificate has been designed to be applicable across various career fields.
