EXECUTIVE LEADER POSTGRADUATE CERTIFICATE

Description and Outcomes
If you are a registered nurse interested in expanding your knowledge of nursing administration to better meet the challenges within the healthcare environment, the Executive Leader Postgraduate Certificate program could help you pursue your professional goals. This certificate program allows you to build on your master’s degree in nursing by completing six courses focused on nursing administration, including clinical and capstone courses.

The Executive Leader Postgraduate Certificate program is designed to prepare you to pursue managerial positions and leadership roles in hospitals, community health, long-term care facilities, and other healthcare systems.

The postgraduate certificate program’s curriculum is designed to provide specialized knowledge in the area of nursing administration and could help you prepare to sit for the Nurse Executive or the Nurse Executive, Advanced certification examinations (depending on the level of leadership with your organization) provided by the American Nurses Credentialing Center.

Qualified credits earned in fulfillment of this certificate program may be eligible for transfer toward future graduate studies.

Note: the Executive Leader Postgraduate Certificate program is not available in all states. Refer to Program Availability Information (https://www.purdueglobal.edu/catalog-program-availability-info.pdf) for details.

This program is available in ExcelTrack. Speak with your University representative for any limitations. For more information on ExcelTrack, see Learning Paths in the Approach to Learning (https://catalog.purdueglobal.edu/policy-information/university-information/approach-to-learning/) section of the Catalog.

Program Length
The Executive Leader Postgraduate Certificate program consists of a minimum of 30 quarter credit hours. Upon successful completion of this program, you will be awarded a certificate.

Program Outcomes
1. Encompass concepts of fiscal and human resources in the design of quality care measures.
2. Develop collaborative relationships and partnerships that are interdisciplinary and aggregate-focused to improve the health care of populations.

Program Availability
For program availability, please refer to the U.S. State and Other Approvals (https://catalog.purdueglobal.edu/policy-information/university-information/accreditation-approvals-memberships/) section and Program Availability Information (https://www.purdueglobal.edu/catalog-program-availability-info.pdf).

Policies
Admissions Requirements
You must meet the below admissions requirements in addition to Purdue Global’s general requirements (https://catalog.purdueglobal.edu/policy-information/admissions/).

You must have a master’s degree with an upper-level major in nursing and a cumulative GPA of 2.5 or higher from an accredited institution. Refer to the Admissions Requirements (https://catalog.purdueglobal.edu/policy-information/admissions/) for more information on prior degree submission.

You must have an approved criminal background check (https://catalog.purdueglobal.edu/policy-information/admissions/).

Progression Requirements
You will complete clinical courses as part of the requirements for the postgraduate certificate. Successful completion of the clinical project is required to receive a passing grade for the capstone course.

Refer to the School of Nursing’s Progression Requirements (https://catalog.purdueglobal.edu/graduate/nursing/) section for additional requirements for clinical experiences.

Certification, State Board, and National Board Exams
Certain state certification and licensure boards have specific educational requirements for programs to lead to a license or nongovernmental certification that is a precondition for employment in a recognized occupation.

Unless otherwise specified, Purdue Global’s programs are not designed to meet any specific state’s licensure or certification requirements. If certain licensed occupations, vocations, or professions are not explicitly listed, Purdue Global has not reviewed the licensure or certification requirements of those occupations, vocations, or professions, nor intended the program to meet such requirements. Licensure-track programs may limit enrollment to students in certain states; please see Purdue Global’s Program Availability Information (https://www.purdueglobal.edu/catalog-program-availability-info.pdf) to determine enrollment eligibility.

You are responsible for understanding the requirements of optional certification exams. Such requirements may change during the course of your program. You are not automatically certified in any way upon program completion. Although certain programs are designed to prepare you to take various optional certification exams, Purdue Global cannot guarantee you will be eligible to take these exams or become certified. Your eligibility may depend on your work experience, completion of education and/or degree requirements, not having a criminal record, meeting other certification requirements, or the program or the University itself having appropriate accreditation or licensure.

Upon completion of the certificate program and meeting the requirements of the certifying organization, you may be eligible to sit for the Nurse Executive or the Nurse Executive, Advanced, certification examination through the American Nurses Credentialing Center or the Certified in Executive Nursing Practice certification exam through the American Organization for Nursing Leadership.
Degree Plan

The icon appears in the title of traditional courses that are also available as a set of module courses. Module course availability may be limited to certain academic calendars. See Course Types (https://catalog.purdueglobal.edu/policy-information/university-information/approach-to-learning/) for information about module courses.
