

PROGRAM CHANGES

You may request to change your program of study (between most programs) by working with your Student Advisor.

Changing your program can substantially impact your financial aid eligibility and additional charges may be assessed.

All coursework from previous programs that is accepted toward the new program will be used in calculating satisfactory academic progress.

To initiate the change of program process, speak to your Student Advisor. He or she will advise you on the process as well as how to submit any documents required by the desired program of study. The Dean of the program will make the final determination of acceptance to the program.

Undergraduate

You must have at least a 2.0 CGPA and meet the admissions requirements of the desired program of study. If your CGPA is below 2.0, but your GPA in all nonmajor courses is at least a 2.0, you may change academic programs with the permission of the Dean of the desired program.

In addition, if you are transferring from a traditional program to an ExcelTrack program, you must have successfully completed a minimum of 6 credits in each term for the 2 terms prior to transfer.

Graduate

You must have at least a 3.0 CGPA and meet the admissions requirements of the desired program of study.

In addition, if you are transferring from a traditional program to an ExcelTrack program, you must have successfully completed a minimum of 4 credits in each term for the 2 terms prior to transfer.
