Leaves of Absence—Long Term

If you have completed at least one term/session of your degree program at the University and can demonstrate extenuating circumstances beyond your control, you may request a leave of absence. A leave generally permits you to suspend studies and return to the version of the program that you left.

You must complete and sign a Leave of Absence Request Form and submit it through the Office of Student Support for approval. As appropriate, provide documentation to support your request. If you are seeking a leave of absence in the middle of a term/session, there may be impacts to your funding and/or loan deferment; therefore, you should speak with the Student Finance Office prior to submitting the leave request.

You may request up to one period of leave per calendar year. A leave may be from four weeks to two terms in duration, though your return date will be dependent on course availability.

If you request and receive approval for a leave of absence effective before the completion of your course(s), you will receive a "W" for each attended course at the start of the leave unless you are eligible for an "IP" grade. (See Registration (https://catalog.purdueglobal.edu/policy-information/registration/) for more information.) Module courses successfully completed before the leave will be recorded as such on the transcript.

If you are an active-duty servicemember, in the National Guard or Reserves, or are a military family member, you may take a military leave of absence at any point in your current enrollment for a period of up to 12 months. You may also have the option to renew this status one time for up to a total of 24 months of leave; however, if you exercise this option, you will return to the version of the degree program in effect at the time of your return.

If you do not return to class by the scheduled date and later choose to return to the University, you will need to return to the current version of the program. You are not eligible for financial aid while on leave.

Please note that your lender entitles you to a 6-month grace period when "F" grades will be posted. If you are an undergraduate student (excluding prelicensure nursing programs), you will receive "W" grades for all in-progress module courses and temporary “IP” grades for all traditional courses until the grades can be finalized at the end of the term. (See Registration (https://catalog.purdueglobal.edu/policy-information/registration/) for more information.) All in-progress courses taken in a nondegree-seeking enrollment will receive "W" grades.

If you withdraw from the University and wish to return, you must apply for readmission and may not return sooner than the beginning of the next grading period/term. If you withdraw from and reenter a nursing or health science program, you may be required to demonstrate competency in clinical skills prior to beginning a clinical or externship.

Withdrawal Due to Nonattendance

Attendance has important effects on your enrollment status at the University:

- If you do not log attendance in any of your classes for 21 consecutive calendar days (excluding scheduled breaks), you will be administratively withdrawn from your program. You may not exceed 14 days of nonattendance if you are enrolled in a 6-week session.
- If you fail to log attendance in any individual class within the first 21 days of the class, you will be removed from the class. Module courses are not subject to this course withdrawal.
- If you are a first-term or returning student enrolled in a non-ExcelTrack program and do not log attendance within any of the classes remaining in your schedule at the end of the add/drop period, your enrollment will be cancelled. If you are a first-term or returning student enrolled in an ExcelTrack program and do not complete academic activity prior to the end of the third week of a 10-week
term or the second week of a 6-week session, your enrollment will be cancelled.
• If you are enrolled in a graduate program or prelicensure nursing program and are withdrawn due to nonattendance while courses are in progress, grades of “W” will be posted for your courses, except when the period of nonattendance occurs in the final 28 days of a term (final 21 days of a 6-week session) when “F” grades will be posted. If you are an undergraduate student (excluding prelicensure nursing programs), you will receive “W” grades for all in-progress module courses and temporary “IP” grades for all traditional courses until the grades can be finalized at the end of the term. (See Registration (https://catalog.purdueglobal.edu/policy-information/registration/) for more information.)

Any incomplete courses at the time of withdrawal are subject to standard University withdrawal policies.
• If you are a nondegree-seeking student, while still strongly encouraged to attend classes frequently, you are not subject to course withdrawals due to nonattendance.
• If you are enrolled in an ExcelTrack program, are registered in only module courses in a term, have logged attendance in the term, and know that you must exceed 21 days of nonattendance (14 calendar days in a 6-week session) during the term, you may confirm your intent to return within the term in writing.

The written confirmation must be submitted and approved by the Dean (or designee) prior to the planned, extended period of nonattendance. You may not exceed 45 days of nonattendance under this arrangement and must resume attending classes before the end of the term. Speak with your Student Advisor for assistance.
