The course emphasizes reflection on the application of the core project management knowledge that has been developed through the study of project management principles, and infuses these principles into specific areas of vocation or interest. The course is available as a 1-4 credit offering, and is required to fulfill the Purdue Global and Google Project Management certificate.
Quarter Credit Hours: 4 | Prerequisite: MT247 (may be taken concurrently)
BU429: Cultural Intelligence
In this education abroad experience, you will investigate the intercultural skills necessary to relate and work effectively in globally oriented contexts. Topics covered include understanding cultural values and norms, identifying individual cultural identity, addressing cultural conflict, navigating cultural adaptation experiences, and communicating effectively across cultures. You will use these skills as part of either a virtual or in-person international trip as you experience local professional and social culture. Upon satisfactory completion of all coursework requirements, you will be eligible to receive the Global Competence Certificate (GCC), an internationally recognized mark of the ability to employ principles of intercultural awareness in professional and social settings. You may also be eligible to receive the Global Scholar micro-credential, which recognizes learners who have distinguished themselves as global scholars through advanced intercultural skill development and participation in a virtual or travel Education Abroad experience. NOTE: There is an additional course fee for participation in the field experience. Please contact PG Education Abroad (educationabroad@purdueglobal.edu) for detailed pricing.
Quarter Credit Hours: 5 | Prerequisite: Enrollment in any undergraduate-level degree program and permission from School of Business and Information Technology

BU481: Independent Directed Study I
In this course, you will engage in an independent directed studies project focused on a self-selected research project.
