Policies

Admissions Requirements

You must meet the below admissions requirements in addition to Purdue Global's general requirements (<https://catalog.purdueglobal.edu/policy-information/admissions/requirements/>).

If you do not possess an associate's or bachelor's degree within the criminal justice field from an accredited institution at the time of admission, you may be admitted to the program after providing proof that you have been employed in law enforcement, the military, or an associated area of criminal justice within the last 18 months prior to enrollment. If you do not possess a prior degree, admissions is at the discretion of the Dean of the College of Social and Behavioral Sciences based on a review of work experience and other relevant criteria.

By the last day of the first term, you must supply the official transcripts required for your enrollment. Failure to comply with this deadline will

result in withdrawal from your program and blocked reentry until an official transcript is provided or you change your program of study to one that does not require proof of graduation.

Progression Requirements

If you enroll in the Management and Supervision Certificate in Criminal Justice, you will have all course-level prerequisites waived.

Certification, State Board, and National Board Exams

Certain state certification and licensure boards have specific educational requirements for programs to lead to a license or nongovernmental certification that is a precondition for employment in a recognized occupation.

Unless otherwise specified, Purdue Global's programs are not designed to meet any specific state's licensure or certification requirements. If certain licensed occupations, vocations, or professions are not explicitly listed, Purdue Global has not reviewed the licensure or certification requirements of those occupations, vocations, or professions, nor intended the program to meet such requirements. Licensure-track programs may limit enrollment to students in certain states; please see Purdue Global's Program Availability Information (<https://www.purdueglobal.edu/catalog-program-availability-info.pdf>) to determine enrollment eligibility.

You are responsible for understanding the requirements of optional certification exams. Such requirements may change during the course of your program. You are not automatically certified in any way upon program completion. Although certain programs are designed to prepare you to take various optional certification exams, Purdue Global cannot guarantee you will be eligible to take these exams or become certified. Your eligibility may depend on your work experience, completion of education and/or degree requirements, not having a criminal record, meeting other certification requirements, or the program or the University itself having appropriate accreditation or licensure.
