COLLEGE OF SOCIAL AND BEHAVIORAL SCIENCES

Mission Statement
The College of Social and Behavioral Sciences prepares undergraduate and graduate students to become professionals, leaders, and change agents in their chosen fields and communities. We offer a variety of academic programs that support career paths that make a difference in response to human societal causes, issues, and needs. Program offerings focus on the knowledge required within these fields as well as ethics, decision making, communication, and critical thinking skills.

General Policies
Please refer to the individual program pages for program-specific policies and the Policy Information (https://catalog.purdueglobal.edu/undergraduate/policy-information) section for general Purdue Global policies.

Notice to Students
If you cannot pass a background check, you will likely experience limitations and/or restrictions on employment opportunities.

Before you are fully admitted into one of the following programs, you must submit a request for a criminal background check (https://catalog.purdueglobal.edu/policy-information/admissions/requirements) to the Purdue Global-approved vendor prior to the first day of your first term. If your criminal background check is not approved by the end of the third week of your first term, your enrollment will be cancelled.

- Bachelor of Science in Corrections
- Bachelor of Science in Criminal Justice
- Bachelor of Science in Fire and Emergency Management
- Bachelor of Science in Fire Science
- Associate of Applied Science in Criminal Justice
- Associate of Applied Science in Criminal Justice and Criminology
- Associate of Applied Science in Fire Science
- Associate of Applied Science in Public Safety and Security
- Corrections Certificate
- Crime Scene Technician Certificate
- Management and Supervision Certificate in Criminal Justice
- Private Security Certificate

Onsite Students
If you are a continuing onsite student admitted prior to April 15, 2009, and enrolled in one of the programs noted above, you will be required to complete a national criminal background check prior to participating in firearms training activities. You will not be permitted to participate in any firearms training or simulation activities if information reveals a felony conviction or other issue that the College of Social and Behavioral Sciences deems unacceptable.

Progression Requirements

Accelerated Master's Degree Options
If you are enrolled in an eligible bachelor's degree program and wish to continue on to pursue a Purdue Global Master of Public Administration, Master of Science in Psychology, Master of Science in Human Services, or Master of Science in Legal Studies, you may be eligible to complete one of the below accelerated master's degree options.

Eligible Degree Programs
Eligible degree programs include:

- Bachelor of Science in Communication
- Bachelor of Science in Corrections
- Bachelor of Science in Criminal Justice
- Bachelor of Science in Early Childhood Administration
- Bachelor of Science in Early Childhood Development
- Bachelor of Science in Environmental Policy and Management
- Bachelor of Science in Fire and Emergency Management
- Bachelor of Science in Fire Science
- Bachelor of Science in Human Services
- Bachelor of Science in Human Services in Youth/Family Services and Administration
- Bachelor of Science in Legal Studies
- Bachelor of Science in Legal Support and Services
- Bachelor of Science in Liberal Studies
- Bachelor of Science in Paralegal Studies
- Bachelor of Science in Psychology
- Bachelor of Science in Psychology in Addictions
- Bachelor of Science in Psychology in Applied Behavior Analysis
- Bachelor of Science in Psychology in Industrial/Organizational Psychology

Accelerated Master's Degree Qualifications
In order to qualify for an accelerated master's degree option, you must meet the following criteria:

- Possess and maintain a minimum cumulative GPA of 3.0
- Obtain a grade of "B" or above in each of the master's-level courses
- Have at least 15 or 20 credits of open electives available in your degree plan, depending on master's degree selected
- Have completed between 30 and 100 quarter credit hours in your bachelor's degree program including any credits received for prior learning
- Submit an essay providing detailed career goals and associated reasons for enrolling in the appropriate master's degree program

Please refer to the individual sections below for additional requirements.

Upon successful completion of the bachelor's degree program, you may apply for entry to the relevant Purdue Global master's degree program. If accepted, you will transfer in the graduate courses completed as part of your undergraduate program and matriculate into a shortened version of the master's degree program.

You should consult with your Student Advisor to ensure that you are eligible for an accelerated master's degree option and discuss any financial aid implications with the Financial Aid Office.

You may be required to take additional courses to fulfill the requisite 180 credits necessary to complete a Purdue Global bachelor's degree.
Accelerated Master of Public Administration Option

If you are interested in continuing on to pursue a Purdue Global Master of Public Administration, you may take the following graduate-level courses in place of open electives:

</table>

Certification, State Board, and National Board Exams

Certain state certification and licensure boards have specific educational requirements for programs to lead to a license or nongovernmental certification that is a precondition for employment in a recognized occupation.

Unless otherwise specified, Purdue Global’s programs are not designed to meet any specific state’s licensure or certification requirements. If certain licensed occupations, vocations, or professions are not explicitly listed, Purdue Global has not made a determination with respect to the licensure or certification requirements of those occupations, vocations, or professions. Licensure-track programs may limit enrollment to students in certain states; please see Purdue Global’s Program Availability Information (https://www.purdueglobal.edu/catalog-program-availability-info.pdf) to determine enrollment eligibility.

You are responsible for understanding the requirements of optional certification exams. Such requirements may change during the course of your program. You are not automatically certified in any way upon program completion. Although certain programs are designed to prepare you to take various optional certification exams, Purdue Global cannot guarantee you will be eligible to take these exams or become certified. Your eligibility may depend on your work experience, completion of education and/or degree requirements, not having a criminal record, meeting other certification requirements, or the program or the University having appropriate accreditation or licensure.

Programs

Bachelor of Science in Communication

The Bachelor of Science in Communication program is designed to provide you with the skills to become an effective communicator in today’s competitive, global workplace. The interdisciplinary approach combines both theory and application, enabling you to gain a critical understanding of social issues, new media, and effective writing and speaking skills.

Bachelor of Science in Legal Studies

(Not Accepting Enrollments, Effective October 19, 2016)

The Bachelor of Science in Legal Studies program is designed to provide you with an education that incorporates the study of law (and related disciplines) with the development of both practical and analytical skills.
Bachelor of Science in Legal Support and Services
The Bachelor of Science in Legal Support and Services program is designed to offer a broad-based foundation in the knowledge of the law and other related practical study areas, in conjunction with the practical and technical skills and competencies required of various professions in the legal field. Comprehensive study in areas such as legal research and writing, American justice system, legal ethics, legal philosophy, and various legal disciplines help prepare you for diverse career opportunities.

View Program Details

Bachelor of Science in Liberal Studies
If you have prior learning credit and are interested in creating a program to meet personal and professional interests, consider the Bachelor of Science in Liberal Studies program. The degree-completion program allows you to receive credit for eligible prior learning, which may include transfer credit from a regionally or nationally accredited institution, military training, or other experiential learning.

View Program Details

Bachelor of Science in Paralegal Studies
(Not Accepting Enrollments, Effective November 11, 2015)
The Bachelor of Science in Paralegal Studies program is designed to prepare you to pursue a career as a paralegal as well as for advancement if you are already working in the field. The baccalaureate program is designed to combine the technical skills of various specialized areas of law with research, practical, technological, and analytical skills.

View Program Details

Bachelor of Science in Political Science
(Not Accepting Enrollments, Effective November 11, 2015)
The Bachelor of Science in Political Science program is designed to help you develop an understanding of the interconnected issues and challenges that confront governing bodies and society locally, regionally, nationally, and globally. The study of politics and political science is broad and interdisciplinary; therefore, the program focuses on the historical, global, current, and future approaches to political theories and the application of those theories to the creation of political institutions and policy.

View Program Details

Bachelor of Science in Psychology
(Not Accepting Enrollments, Effective November 11, 2015)
The program’s curriculum is designed to provide you with content knowledge of the major concepts, values, theories, psychological studies, research methods, and historical trends in psychology as they apply to human behavior, learning, and development. Courses are designed to help you develop and use psychological skills, critical thinking, and the scientific approach to problem solving to evaluate behavior and mental processes while applying psychological principles to personal, social, and organizational issues.

View Program Details

Bachelor of Science in Psychology in Addictions
The Bachelor of Science in Psychology in Addictions provides you with content knowledge of the major concepts, values, theories, psychological studies, research methods, and historical trends in psychology as they apply to the many aspects of addiction science, assessment, prevention, intervention, treatment, and case management.

View Program Details

Bachelor of Science in Psychology in Applied Behavior Analysis
The Bachelor of Science in Psychology in Applied Behavior Analysis (ABA) degree provides you with the knowledge, skills, and abilities necessary to prepare for graduate study or to work effectively with individuals in a variety of settings. This program provides an examination of the design, analysis, and application of learning theories and behavioral principles.

View Program Details

Bachelor of Science in Psychology in Industrial/Organizational Psychology
The Bachelor of Science in Psychology in Industrial/Organizational Psychology program provides foundational preparation for a variety of roles in business, government, and nonprofit organizations utilizing rigor and methods of psychology as applied to issues of critical relevance and to organizational effectiveness: talent management, coaching, assessment, selection, training, organizational development, performance (i.e., improvement, management), and work-life balance.

View Program Details

Associate of Applied Science in Criminal Justice
(Not Accepting Enrollments, With the Exception of Military Servicemembers and Veterans, Effective November 11, 2015)
The Associate of Applied Science in Criminal Justice program is designed to prepare you with applied knowledge, technical skills, communication abilities, and general knowledge to pursue a wide range of entry-level positions in the field of criminal justice. Upon graduation, you may pursue employment opportunities in various criminal justice environments such as law enforcement, courts, adult and juvenile corrections, corporate security, public safety, loss prevention, private protective services or investigations, or community-based programs and services.
Associate of Applied Science in Criminal Justice and Criminology

The Associate of Applied Science in Criminal Justice and Criminology program provides a foundation in criminological, sociological, and psychological theories. Applied knowledge, technical skills, and communication abilities gained within this program offers you the ability to pursue or advance your career in a wide range of positions in the field of criminal justice, including law enforcement, criminological research, crime analysis, the courts, adult and juvenile justice, and public safety.

View Program Details (https://catalog.purdueglobal.edu/undergraduate/social-behavioral-sciences/criminal-justice-aas)

Associate of Applied Science in Early Childhood Development

(Not Accepting Enrollments)

The Associate of Applied Science in Early Childhood Development program is designed for practicing educators who work with children (birth through age 8) and families in early childhood settings. Specific emphasis is placed on the young child's growth and development, working with children in the inclusive classroom, health and nutrition needs, and lesson planning and implementation.
